MobiSpaces

new data spaces for green mobility

Novels from data management universe - different applications, from EU Green Deal, Water, Food and Mobility

29 May 2023
Webinar

Funded by the European Union

MobiSpaces

Novels from data management universe: different applications, from EU Green Deal, Water, Food and Mobility.

29 May 2023
from 14:30 to 15:30 (CEST)

ONLINE WEBINAR

in collaboration with: GREEN.DAT.AI WATERVERSE STELAR EMERALDS

Funded by the European Union

Instructions & Guidelines

- The webinar is structured in two parts. In the first part each Project (MobiSpaces, GreenDatai, Waterverse, Stelar, and Emeralds) will present itself with an elevator pitch of 5 minutes.
- In the second part there will an open discussion among projects and here we encourage to ask your questions to the Projects representatives. The goal is to stimulate an interesting and genuine discussion among each the speakers.
- In order to ask your questions please write in the Q/A bos at the bottom of your screen.
- The webinar is being recorded, both the video & presentations will be available tomorrow on the events' webpage at mobispaces.eu.
